• It is imperative that a **job description** be established at the beginning of the internship. This allows all who are involved to understand what the student will hope to accomplish and will be a yardstick for measuring student accomplishment. The job description should be made up of work-related duties that have been mutually agreed upon by the *student and site supervisor* for the length of the internship. Some possible areas of involvement are listed below, but there are other work-related opportunities available.
